

Warlingham Park School Volunteer Helpers Policy

This policy applies to the whole school, including the EYFS

September 2021

Aims of Volunteer Helpers policy

- To provide parents/staff and volunteers with clear opportunities, expectations, induction and guidelines for working in school.
- To encourage the wider community to engage with children's learning to raise standards of achievement and deepen the sense of school community.

Volunteer helpers are:

- Parents or other adults working alongside the teachers
- Members of the PTA or adults helping with PTA events
- Students on work experience

Volunteer helpers support the school in a number of ways:

- Supporting individual pupils within classrooms or helping with group work
- Hearing pupils read
- Helping with classroom organisation
- Helping with supervision of children on school visits
- Helping with art or other practical subjects (cooking etc)
- Attending on school trips to support school staff.
- Helping with PTA activities

Volunteer helpers are not allowed to do the following activities:

- Take responsibility for all or some of the class
- Change very young children or supervise them changing
- Supervise or take children to the toilet
- Supervise children engaged in PE or other specialist activities
- Take the children off the school site without a teacher in charge

The responsibility for the health and welfare of children remains with the class teacher at all times.

Volunteer helpers will need to read and sign the Volunteer Helper's Protocol at the end of this policy.

Signing in

When any helper arrives in the school they must sign in at the school office and collect a visitor/parent helper badge which must be worn at all times in school. Volunteer helpers should indicate their arrival time and which class they will be visiting. Volunteers must also sign out and state the time when they are leaving the school premises.

Safeguarding checks

Volunteers with unsupervised access to children must be cleared through the Disclosure and Barring Service (DBS). Supervision in this context means being out of the regular line of sight of the teacher or other authorised adult in the class. Regular visitors to school will be asked to submit to a DBS check. Those without a DBS check, or awaiting one, will not be asked to carry out “regulated activity” in terms of the DBS Regulations. If a parent has had any criminal allegations made against them, these must also be disclosed to the Headteacher prior to volunteering in the school. Any disclosures will be dealt with in strictest confidence. The Headteacher has the authority not to accept the help of volunteers if he or she believes this may not be in the best interest of the children.

Volunteers not requiring a DBS check:

- Volunteers or parents who accompany staff and children on one-off outings or trips that do not involve overnight stays and who are under the supervision of a teacher.
- Volunteers or parents who are based exclusively in the classroom with a supervising adult or those in places where volunteers or parents and children are in view of a supervising adult – public corridors near classrooms, cloakroom areas between classrooms, etc.
- Those who help out at specific events e.g. school fete, mums in school days etc who do not have unsupervised access to children.

Confidentiality

We recognise that for staff and parents of other children to be confident about helpers in school, all volunteers will need to agree to a protocol about confidentiality and conduct. Volunteer helpers are asked to sign a ‘Volunteer Helpers Protocol’, a copy of which will be kept in school.

Deployment of parent helpers

Helpers will be asked to support in classes where there is the most need for individual support, but we encourage contact between parents and their children in the learning environment as well.

Monitoring and review

The day to day monitoring of this policy is the responsibility for the Headteacher and leadership team. The Headteacher will report to governors annually on the number of parent volunteers in school, summarising their value and impact in supporting children’s learning. This policy will be reviewed on a 2 year cycle or earlier if necessary following full consultation from the parent council, staff and governors.
